PR Docket No. 94-105

**COMMENTS ON PROPOSED PROTECTIVE ORDER**

Cellular Resellers Association, Inc., Cellular Service, Inc. and ComTech Mobile Telephone Company ("Resellers") hereby comment on the protective order proposed by the Bureau with respect to consideration of the confidential information referenced in the petition of the State of California.

With one exception, Resellers support the protective order as drafted. The one exception concerns the number of copies which counsel may make. In the case of Resellers, there are two principals and two separate law offices. Therefore, at a minimum, Resellers will need to have access to at least four copies for themselves plus copies for additional counsel and any experts retained to review the additional material. For that reason, it is proposed that counsel be authorized to make sufficient copies for themselves, their principals and their agents (with the understanding that the copies will be returned as provided in paragraph 4 of the proposed order).

WHEREFORE, in view of the foregoing, it is respectfully requested that the Commission adopt the protective order as proposed (with the one qualification).

Respectfully submitted,
